Western Reserve Academy Campus, Hudson, Ohio. Western Reserve College is owner in Cleveland, Ohio

It was built in 1830 of early American Architecture. Present condition is good. The front porch was added to the old structure. The building has a basement and two-stories. The basement is of stone, and the walls and division wall between the two parts of the double house is of solid brick. Rafters of 5" logs with bark still on. Originally heated with fireplaces.

The building was erected to house Professors of Technology, Messrs. Hitchcock and Pierce.
